DEPARTMENT OF LABOR

RECRUITMENT

a neighborly company

As a local Appliance Repair company, we are looking for qualified professionals to join our team. If you are a super hero and can fly into a home full of chaos and right the wrongs of a broken appliance while being friendly, honest and dependable we have a position for you. At Mr. Appliance we offer several competitive compensation packages, complete training programs, and fast track advancement. We live our code of values with Respect, Integrity, and Customer Focus while having fun in the process!

When you love what you do, you never work a day in your life. At Mr. Appliance we put on our capes on each morning and use our advanced trouble shooting skills to mend the troublesome broken appliance and put customers' homes back into their peaceful existences. Our culture is all about learning and collaboration to grow our employees into the best they can be. But if that isn't enough for you, there's a competitive compensation plan and flexible working hours. If you think you have what it takes to wear our cape and be part of our team then fill out an application today and start your journey.

Appliance Repair Technicians Needed!

As a Service Technician, you will be a key member of our team responsible for the quality and efficient installation, maintenance, and repair of appliances and other equipment. You will also develop new customers by identifying problems that could crop up with the customers appliances and correcting them before they cause harm to the customer. By exemplifying our code of values, you show respect and courtesy to all customers and employees.

If this career is right for you and you are self-motivated, have a keen ability for troubleshooting, and can manage your time effectively, meet deadlines all while saving the world then we want to talk to you. If you have some sales experience as well as proven communication skills with customers, employees and supervisors that is even better.

Specific Responsibilities:

- Accurately diagnose and repair appliances/equipment in the customer's home
- Provide cost estimates for repairs/installations and collect payment and/or payment information from customers for work performed
- Ensure the efficient use of materials and keep company vehicle and equipment properly serviced
- Complete invoices, daily route sheets, and weekly reports as required
- Perform other duties as needed which may include cross-training in related positions

Job Requirements:

- High school graduate or equivalent
- Valid Driver's License with clean record
- Must be at least 18 years of age
- Must be able to pass a drug test and background check
- Need to exhibit a proficiency to navigate tablet-based technology
- Ability to work flexible and variable hours (no weekends)

Physical Demands:

While performing the duties of this job, the employee is occasionally required to stand; walk; sit; use hands and fingers, handle, or feel objects, tools or controls; reach with hands and arms; climb or balance; stoop kneel, crouch, or crawl; and talk or hear. The employee must occasionally lift and/or move up to 50 pounds.
