

PREVENT VEHICLE BREAK INS & THEFTS

Here are some tips to help deter or prevent motor vehicle thefts or break-ins.

- Always lock your vehicle.
- Consider an anti-theft device such as the “club”
- Park in well lighted or secure areas if possible.
- Install an alarm and activate it.
- Never leave your vehicle running unattended.
- Never leave valuables inside your vehicle.
- Never leave your vehicle title inside the vehicle.
- Consider The State of Maryland’s “Watch Your Car” Program.
- Report all vehicle thefts or crimes immediately.
